### SURROUNDEL BY MYSTERY!

A Great Mistake.

A recont discovery is that herdnabe, filziness, diffeess, confusion of the mind etc., are 60 to derangement of the nerve centers which supply the brain with nerve force: that indigestion, dyspepsia, neuralgia, win I in stomach, etc., arise from the derangement of the nerve centers supplying these organs with nerve fluid or force. This is likewise true of many discuses of the heart and lungs. The nerve system is like a telegraph system, as will be seen by the accompanying cut. The little white lines a retailed the nerves which

tonvey the nerve force from the users centers to every part of the body, just as the electric current's conveyed along the televraph wires to every wires to every station, large or small. Ordinary physicians fall t regard this fact, instead of treat-ing the nerve to ters for the cate of of the discrete arising their com thuy treat the part affected. Franklin Miles.

M. D., L.L. B., the singly celebrated specialist and student of nervine diseases and author of heavy noted that less on the letter subject, long since realized the truth of the first statement, and his Restorative Nervine is prepared on that principle. Its success in curing all diseases arising from derangement of the nervous system is wonderful, as the thousands of unsolicited testimentals in possession of the compacy manufacturing the remedy amply prove.

Dr. Miles' Restorative Nervine is a reliable remedy for all nervous diseases, such as heddache, nervous debility, prostration, sleepiessness, of ziness hysteria, sexual debility, St. Vitus dance, epilepsy, etc. It is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co, Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid.

Restorative Nervine positively contains no opiates or dangerous drugs. highly calcurated

The silver wing of the Republi can State Convention unanimously adopted the blowing platform: The covertion endorses and

adopts the platform of the Repub-Leas State Convention, held at Va city on the 30 of April last, as fol-

Resolved, That we condemn the Republican party of the Eastern states and the a mini-tration of President Harrison, insofar as they have failed to accomplish the complete remonetization of silver, and to enact laws providing for the free and unrestricted coinage of that metal.

Resolved, That the cestoration of silver to the place it ampled previous to the passage of the Mint Act of 1873, is essential to the prosperity of the country and paramount to all other political considerations. The legislation which robbed silver of its money functions and denied to the owner of silver bullion the right to have the same coined into money upon the some terms and conditions which apply to the coinage of gold, reduced the money of ultimate redemption or payment, about onehalf, and enabled the owners of money and obligations payable in money to monopolize the coin of the commercial world.

Resolved, That the people of Nevada are in favor of the coinage of silver upon the same conditions which apply to the colpage of gold, and they are opposed to elevating any person to office who is not known to be unequivocally in favor of opening the Mints of the United States to the free and unlimited coinage of silver.

In view of the unsatisfactory attitude of President Harrison to the paramount issue of the remonetization of silver, this convention will make no neminations for Presidential electors and the State Central Committee to be appointed by this Convention shall have no authority to put in nomination elec-

The Convention cordially en derses the vigorous efforts of our Senators and Representatives to secure the free and unlimited coinage of silver, and the educational work that they have done in presenting the true issue between the money powers and the bondho ers and laborers and producers of wealth.

And we favor the continuation of agitation and contention for the free and unmitted comage of silver at the present ratio of 16 to 1, for their own benefit and for the out fit of the people at large miners, farmers, laborers and me chanies.

The citizens of Nevada, representatives of the various silver leagues, irrespective of past party afflliations, in convention assembl-300 NICE ROOMS. ed, do set forth the following dec. laration of principles:

F. st. We demand to full retrains to convey guests to and from the house, free of charge and unlimited coinage thereof, at the present ratio of 16 to 1 YOUNG. - - - Prop. Second. We are radically and

unalterably opposed to the Nation at Republican and Democratic parties on the question of the free coinage of silver and we denounce the action of their recent national conventions as inimical to the material interests of the people of the United States, and especially to those of Nevada and all the other mining states and territories, and we therefore repullate the nominees of their convention.

Thire. We place the sommees o this convention for Presidential electors to 'upport no 'up'i for President or Vice-President of the United States who is not une quivocally in favor of free coinage as defined by this con. ntion. We reseave to the silver leagues of Nevada, in Convention assembled, the right of directing said Presdential electors for whom to cast their votes, should contingencies require. GEO, S. NIXON, Charman State Committee of Sil-Ver posty.
